A New Mediterranean Oasis: 1/2/3 or 4 Bedroom Apartments for Sale in Residential Complex with Sea View in Estepona Located in a privileged location a stone's throw from Estepona, this residential complex offers the unique opportunity to live in the joy of the Mediterranean in an exclusive urbanization with spectacular panoramic views of the Mediterranean Sea. This project offers an elegant design that blends harmoniously with its surroundings, creating intelligent spaces that make the most of natural light. This reduces the need for artificial lighting and allows for a more sustainable lifestyle. The penthouses of this residential complex offer panoramic terraces with sea views and private jacuzzi, creating a luxury experience. Inside the communal areas you can find a heated swimming pool and 2 splendid design swimming pools illuminated at night. Large surrounding green spaces offer ideal places for relaxation and walks. Furthermore, there is the possibility to choose between different material and quality options. All homes offer high-end materials, underfloor heating in the main bathroom, design kitchen with modern appliances and an innovative thermal and acoustic insulation system. Furthermore, the latest generation aerothermal system will significantly reduce energy consumption, helping to make your new home sustainable and environmentally friendly. Delivery: 2026 If you would like to receive more information regarding this new sea view residential complex in Estepona, do not hesitate to contact us. We will be happy to organize your visit.
