THINKING OF MOVING TO ESTEPONA?

Estepona offers an unrivalled combination of tranquillity and security, making it the perfect place to live or holiday. Its climate, considered the best in Europe, guarantees sunny days and pleasant temperatures all year round. Walking through its streets in absolute safety is a delight. Admiring its gardens, its squares and its beautiful promenade, makes you fall in love with the city and decide to settle here with the family... since we have multiple educational centres from nurseries to institutes, health centres, supermarkets, restaurants, parks, GYM, therefore an exceptional quality of life in a picturesque, serene and safe environment.

On this occasion we bring you this spectacular home that is located on the ground floor offering you a large terrace outside, with pergolas, Jacuzzi, barbecues and more amenities; ideal space to enjoy outdoors around a barbecue with family and friends, without having to leave the city.

The house originally had four bedrooms, but with the renovation, one of the bedrooms was added to the kitchen, which allows us to have a large and modern kitchen-dining room, equipped with high-quality appliances. The kitchen has a dining table for 6 people, a pantry, a laundry room and an interior patio for hanging clothes.

Continuing with the description of this fabulous house, we enter the house and through the hallway we are led to the large living room, where the warmth and harmony allows the family to share quality moments. From the living room we can go to a small room that can be used for many purposes and this living room leads to the terrace. Then we continue along the hallway to the rest area where we find three bedrooms, all of them with built-in wardrobes and windows to the outside, two bathrooms, with a shower and one of them in the master suite.

You can also optionally obtain a huge garage space with its storage room for €30,000
