This is a beautiful 3 bedroom townhouse located in the upper part of the Mijas Golf estate and therefore offering amazing panoramic sea views all the way to Fuengirola and mountain views across the Mijas mountain range behind the whitewashed village of Mijas pueblo. Set in a Spanish village themed complex, these townhouses ooze tradition and character and this home has been upgraded to still offer a traditional style but with more modern living in mind. This particular property is laid out over 2 floors with the lower floor offering the main living space. The lounge is spacious and leads out to the lovely terrace where you can take in those extra special views all around you and into the distance. The kitchen has a separate dining room / breakfast room area which is perfect for entertaining being so close to the kitchen. A guest toilet completes this level. Upstairs, there are 3 good sized bedrooms, a bathroom with walk in shower and another bathroom with bath / shower. The complex has a very large communal swimming pool and there is a fantastic restaurant and mini-market on site. A bus stop which takes you to Fuengirola is close by as is the two 18 hole golf courses of Mijas Golf and 5* La Zambra hotel making this the perfect holiday or retirement home.
